*Legal
Discussion etc*

22 April 1952

SUBJECT: Overseas Medical Support

Meeting was held with Mr. Houston, this date. The subject of overseas medical support was discussed regarding those aspects in which Legal interpretation or action was required. Discussion was divided into three categories:

1. Interpretation of line-of-duty.
2. Medical and compensation rights of indigenous personnel.
3. Medical and compensation rights of dependents.

These categories were referred as follows:

25X1A9a

1.
2.

25X1A9a

3. Discussed with the ADD/A and the Medical Office will prepare a staff study of the subject for ADD/A submission.
(to for preparation)

During interim period while these studies are being developed, the Medical Office will refer all questionable cases to the ADD/A and the ADD/A will make the final decision and provide necessary funds.
